BUIST'S GARDEN SEEDS

Grown by us from Selected Seed Stocks.

Are celebrated for their Purity, Fine Quality, Strong Growth.

We sell 10 pounds or over at 100 pound quotation.

Your Garden Seed trade can be very much increased by handling Buist's Prize Medal Seeds; they are not only the most Popular, but the most Salable. No profit is ever made by the merchant in selling cheap seeds, as he quickly loses both trade and reputation—they are either old stocks or those of an inferior quality. The market is overflowing with old bankrupt stocks, some of which are as old as our grandfather's clock; they are good enough to burn, but not to sow.

Owing to the scarcity of many varieties this season these quotations are only for prompt orders, which we will book now and ship at any date desired. **If you are** a large purchaser of seeds, it will afford us great pleasure to make you special quotations by letter if you will kindly enclose us a list of your requirements.

PEAS.

The Buist Morning Star Peas, which we introduced a few years since, is the earliest and most productive variety known, and is regarded by Market Gardeners as their best and most profitable shipping variety. For protection to ourselves and to insure the purchaser true stock, we sell them only in our Sealed Packages and Lead Sealed Sacks, each Seal is stamped Buist. The latter are of green muslin and contain ⅛, ¼, ½, or one bushel each Its great popularity has caused almost ever dealer to catalogue them and a cheap grade of Extra Earlies is substituted. Observe, uuless they are put up in green sacks and sealed with our name they are spurious.

COLLARDS. WE MAKE the growing of Collard Seed a specialty, and annually sell more seed than any other house in the trade. It is acknowledged that we have the best heading White Stem Cabbage Collards known in the South. The great importance of securing a fine strain is well known by every Southern merchant, as it is one of their most important crops. The cheap Seed offered by the trade is imported from England and is more of a Kale or Wild Cabbage than Collards, and causes great dissatisfaction.

EGG PLANT.

Most of the Egg Plant Seed sold by the trade is of Southern growth, which, owing to poor seed stock, produces imperfect fruit, both in form and color. The seed which we offer is of our own growth (we annually grow 25 acres), and there is no finer stock known than the Buist's Improved, which is the best market variety.

BUIST'S SELECTED ONION SETS

We are the most extensive growers and shippers of Onion Sets in the trade, with a reputation of shipping the finest samples. They are smaller, more uniform in size, and better cleaned than those of Western growth, and will keep longer without sprouting. We also use a ⅞ mesh in cleaning them, while Western and many other growers use an inch, making our sets of much smaller size. The measure we send out is also much larger than Western shippers supply. We also fan and clean each shipment separately. Onion Sets are net cash and subject to cost for barrels and crates in packing.

☞These quotations are for immediate orders, and for shipment during October and November. Special prices on large orders. October and November shipments, 40 lbs. to the bushel; December and January shipments, 38 lbs. to the bushel. As the season advances they become lighter in weight.

BUIST'S SELECTED SEED POTATOES

Packed in large Barrels or Barrel Sacks, containing 2¾ bushels, 165 lbs.

The Buist Brand of Seed Potatoes have an established reputation for their Great Purity, Fine Quality and Productiveness.

They are grown in Maine, Vermont, Nova Scotia and Prince Edward's Island, especially for seed, and are of an entirely different quality from the stocks generally sold, which are frequently mixed varieties of a very inferior grade, with the name branded on the barrels to suit the order. These prices are for immediate orders, and for shipment during November and December, and are for any of the leading varieties.

If you wish to increase your Seed Trade, sell those grown by BUIST, as they are grown from Selected Seed Stocks and are as near perfection as can be produced, and are sold at low prices.

Another great feature in favor of our establishment is that we commission no Seeds and therefore have no old stocks returned; we know what we require for our trade and grow accordingly. The great outlet for old seeds which commission houses have is in supplying seeds in bulk, which are generally purchased by the inexperienced merchant "because cheap," but unfortunately he never considers the great distress such seeds cause those who sow them.
